► 23 November 2017

Dear Mr [REDACTED]

## We are paying you additional compensation

- We paid you interim compensation against Shah Wealth Management Ltd (the Firm) on [REDACTED] October 2017 as we couldn't fully calculate the losses on your SIPP.
- Now that we've received further information, we can pay additional compensation of £ [REDACTED]

### How we worked out your compensation

As we've now received the notional transfer values of your Aviva and Standard Life pensions, we can calculate the loss on the transfer of pension benefits from Aviva and Standard Life to your SIPP.

Your revised financial loss amounts to £ [REDACTED] but our rules don't allow us to pay more than £50,000 per customer, per firm.

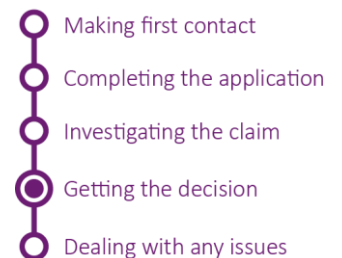

We've calculated your final loss as:

Your final loss	£ [REDACTED]
<b>Amount we're able to pay under our rules</b>	<b>£ [REDACTED]</b>

We'll check the bank account information you gave us. If everything's in order, we'll pay the compensation directly into the account. If we can't, we'll pay you by cheque.

You should receive the payment within 10 working days of the date at the top of this letter. You might need to pay some tax on it, depending on your income and circumstances. You can check this by talking to HMRC or a tax adviser.

Where you are in the claims process

# Calculation Summary
