► [REDACTED] March 2018

Dear [REDACTED]

We will pay you compensation

- We agree that you have a valid claim against Archer Wealth Management LLP (the Firm) regarding your self-invested personal pension (SIPP).
- This means we can pay you £50,000.00 in compensation.

How we worked out your compensation

We have calculated your total loss as [REDACTED]. Our compensation limits don't allow us to pay more than £50,000.00 per customer, per firm.

Your total loss	£ [REDACTED]
Amount we are able to pay under our rules	£50,000.00

We'll check the bank account information you gave us. If everything's in order, we'll pay the compensation directly into the account. If we can't, we'll pay you by cheque.

You should receive the payment within 10 working days of the date at the top of this letter. You might need to pay some tax on it, depending on your income and circumstances. You can check this by talking to HMRC or a tax adviser.

Any questions?

If you have any questions or concerns about the decision or the payment, please contact us using the details at the top of this letter. We'll be happy to help.

Value of your investment

Normally, we take into account the value (if any) of the investment as you might get your money back into the future. We've disregarded the value of the **Storefirst** investment because it's too uncertain to quantify. We have not taken into account any value remaining in the fund.

Notional transfer value of your pension

The notional transfer value of your pension plan is the amount it would be worth now if it had never been transferred.

Value of replacement pension benefits at calculation date

When we calculate your compensation, we must look at any money you've already received from your SIPP and its current transfer value – such as cash in the bank and any securities that could be sold.

About your compensation

As far as possible, the compensation aims to put you back in the financial position you would have been in if you hadn't received the advice. We are paying you as much of your claim as we can under our rules.

The compensation only covers money you'd lost by 23 March 2018.

What if you believe your compensation is wrong, or if you don't understand how we've worked it out?

Call us as soon as possible on **0800 678 1100** to talk it through.
